As a result of increased security measures within the East German Ministry of  
Machine Construction, the categories of employees who are prohibited from visiting  
the West Sector of Berlin have been considerably extended. Up to a recent date  
only the heads of Main Administrations and Main Departments and a few selected  
employees were prohibited from going there. Now all employees of the rank of  
Referent or above have also been requested to sign the following declaration:  
"I hereby undertake the obligation not to enter the West Sector of Berlin. I  
am aware that non-compliance with this obligation will be considered an act  
hostile to the interests of the German Democratic Republic (DDR feindlich)".
